SERVING OF ALCOHOLIC BEVERAGES

Note: The PAL program offers renters the opportunity to purchase insurance that is over and above the coverage offered by the insurance provided to all users through the County of Westlock. This extra insurance is available through most insurance agencies and is protection against liquor liability suites for people who use Liquor License Board Special Occasions Permits.

Mandatory Coverage: If there will be liquor at your function, the County of Westlock’s insurance policy requires that you obtain a Host Liquor Liability Insurance Policy naming the County of Westlock and Busby Community League as Additional Insureds. Proof of Insurance must be provided and attached to the rental agreement.

Renters are responsible for obtaining all necessary permits, licenses and insurance for having alcohol at a function.

I have read the Busby Community Contract and conditions and hereby covenant and agree to all the general and specific conditions set out and in particular hereby covenant and agree that I am personally responsible and obligated to pay all charges due to the Busby Community League in accordance with the conditions. I further acknowledge and agree that any breach of the conditions may result in extra charges being applied and possible termination of my rental agreement.
